We do not sell ...

- **Pirate copies**
The sale of pirate copies is prohibited by law and will be prosecuted.
- **Backup copies**
Copies of the software can not be sold separately and must be deleted when reselling the software.
- **Software delivered only as a download version**
According to a European provision, download products like music, films and software must be particularly protected and therefore can not be resold. This regulation is more than disputed, but still applicable law.

The sale of software must not violate applicable legal requirements. We help you to resell your software without any legal risk for you.
